If you are not able to take care of this pet for any reason, is another family member ready, willing and able to take of him or her? Please explain. Do you feel you are able to support this pet for his/her entire life? A silly question to some, but medical bills, food and if necessary grooming can be very expensive – especially as your pet grows older!

Will this pet be allowed outside or be indoors only?

How many times a day can you walk your dog?

Where will this cat or dog sleep?

We do a home visit prior to adoption – is this ok?

Which pet are you interested in and why have you chosen this cat or dog?
